

**ENVIRONMENTAL HEALTH REVIEW**  
**INDEX - Vol. 34 Spring 1990 - Vol. 44 Winter 2000**

Vol.	No.	Issue Date	Article Title	Primary Author	Other Author	Category
34	1	Spring 1990	Arthropod Phobias	Bryks, S.	Grace, K.	Pest Control
34	1	Spring 1990	Animal Bites & Risk of Exposure to Rabies	Mcintyre L. et al		Communicable Disease
34	1	Spring 1990	Inorganic & Physical Parameters for Drinking Water	Fok, N.		Drinking Water
34	1	Spring 1990	Clostridium perfringens Food Borne Disease: Interpretation of Lab Results	Lee, M.		Communicable Disease
34	2	Summer 1990	Tomorrow's Healthy Environments: Prospects & Issues	Hancock, T.		Sustainability
34	2	Summer 1990	Salmonella: Tackling the Poultry Connection	Hart, R.		Foodborne Illness
34	2	Summer 1990	Development of Environmental Health in the Canadian Arctic	Haertling, J.W.		General E.H.
34	3	Fall 1990	Laboratory Perspectives in the Investigation & Control of Foodborne Outbreaks	Brodsky, M.		Foodborne Illness
34	3	Fall 1990	Dioxins & Furans	Boddington et al		Toxics
34	3	Fall 1990	Ground Water Contamination in Rural New Brunswick	Ecobichon, D. et al		Drinking Water
34	4	Winter 1990	Environmental Assessment & Risk Management for Industrial Chemical Plants in Canada	Cote, R.	Wallace, D.	Environmental Risk
34	4	Winter 1990	A Study of the Knowledge & Attitudes of Day Care Operators & Day Care Staff With Respect to Communicable Disease Control	Fortuna, L.		Daycare
34	4	Winter 1990	The Development of Environmental Health in the Canadian Arctic: Radiological & Chemical Contamination	Haertling, J. W.		General E.H.
35	1	Spring 1991	Tyre King Fire - Hagersville Ontario	Kittle, D.		Emergency Response
35	1	Spring 1991	The Role of The Local Health Department in Environmental Health in the Nineties and Beyond	Willmott, P.	Hatton, B.	General E.H.
35	1	Spring 1991	Indoor Tractor-Pulls & Carbon Monoxide	Urquhart, J.		Indoor Air
35	2	Summer 1991	Taste & Odour in Drinking Water - Some Perceptions & Reactions	Holliday, M. et al		Drinking Water
35	2	Summer 1991	Human Health & The Environment: The Development & Distribution of a Catalogue of Audio-visual Resources	Myres, A.	Wideman, S.	General E.H.

**ENVIRONMENTAL HEALTH REVIEW**  
**INDEX - Vol. 34 Spring 1990 - Vol. 44 Winter 2000**

35	2	Summer 1991	Diaper Service - Operational Guideline	Fok, N.		Communicable Disease
35	3	Fall 1991	Implementation of HACCP in a Hospital's Cook-Freeze Foodservice System	Mak, A et al		Food Safety
35	3	Fall 1991	Chernobyl – 1991	Bertell, R,		Radiation
35	3	Fall 1991	Health Concerns of Canadians: A Perspective from the Green Plan Consultations on the Environment	Myres, A.	Wideman, S.	General E.H.
35	3	Fall 1991	Cryptosporidiosis: A Cause for Concern	Jekel, P.		Communicable Disease
35	3	Fall 1991	Investigation of Scombroid Poisoning	Reffle, J.	Ryan, S.	Foodborne Illness
35	3	Fall 1991	A Meat Sampling Survey	Urquhart, J		Food Safety
35	4	Winter 1991	Contaminated Sites: An Update of Health Protection Activities at the National Level	Richardson, G.M.		Contaminated Sites
35	4	Winter 1991	A Local Board of Health's Response to Radon Exposures	Young, S.		Radiation
35	4	Winter 1991	Small Flies in Commercial Facilities	Siddiqi, Z		Pest Control
35	4	Winter 1991	Petroleum Product Contamination of Groundwater	Allen, M.C. et al		Drinking Water; Contaminated Sites
35	4	Winter 1991	The Health Department's Concern Regarding Backyard Composting	Engelmann, B		Pest Control; Solid Waste
36	1	Spring 1992	Botulism in the Keewatin - Part 1	Kielly, R.		Foodborne Illness
36	1	Spring 1992	Escherichia coli O157:H7 - an Overview	Samadhin, M.		Communicable Disease
36	1	Spring 1992	Use of Alum in Drinking Water	Fok, N.		Drinking Water
36	1	Spring 1992	Protecting Human Health Under CEPA - The Priority Substances Program	Myres, A.		Toxics
36	1	Spring 1992	Suspected Chemical Food Poisoning from Lemonade Stored in a Metal Coffee Urn	Pape, M.		Foodborne Illness
36	2	Summer 1992	Health Impact Management & Landfill Siting Process	Fok, N.		Environmental Risk
36	2	Summer 1992	Evaluation of HACCP	Dovell, R.		Food Safety
36	2	Summer 1992	Botulism in the Keewatin - Part 2	Kielly, R.		Foodborne Illness
36	2	Summer 1992	Ultraviolet Radiation: A Public Health Perspective	Gindi, M.		Radiation
36	3	Fall 1992	Substandard Housing Conditions & Health	Chu, D.		Housing
36	3	Fall 1992	Health Effects of Exposure to Toxin-producing Blue-Green Algal Blooms	Siderovski, S. et al		Recreational Water
36	4	Winter 1992	Environment, Health & Poverty	Finkelman, J.		General E.H.
36	4	Winter 1992	Evolution & Maturation of HACCP	Robbins, M.		Food Safety
36	4	Winter 1992	Chemicals in Use at Indian Reserve Schools	Therrien-Richards, S.		Toxics

**ENVIRONMENTAL HEALTH REVIEW**  
**INDEX - Vol. 34 Spring 1990 - Vol. 44 Winter 2000**

36	4	Winter 1992	Managing Environmental Health Programs in the Year 2000	Morgan, M.		General E.H.
36	4	Winter 1992	Lead in Paint - An "Old" Problem Revisited	Myres, A. W.	Easson, E.	Toxics
36	4	Winter 1992	Salmonella in Canada: an Overview	de la Rue Browne, S.		Foodborne Illness
37	1	Spring 1993	Cryptosporidium Outbreak at a Community Swimming Pool in British Columbia	Meeds, D.		Recreational Water; Communicable Disease
37	1	Spring 1993	Sanitary Landfill: An Alternative for Biomedical Waste Disposal	Mak, A.		Waste Management
37	1	Spring 1993	Ozone Depletion and Skin Cancer – Fact & Fiction	Fok, N.		Environmental Risk
37	1	Spring 1993	Guidelines for the Protection of Human Health on Bathing Beaches	Robertson, W.		Recreational Water
37	2	Summer 1993	A Historical Perspective on the Development of Current Control Mechanisms and Preclearance Procedures Governing the Sale of Irradiated Foods in Canada	Lauer, B.		Food Safety
37	2	Summer 1993	An Overview of Indoor Air Quality Issues	Campbell, M.		Indoor Air
37	2	Summer 1993	Cleanup of a Community Swimming Pool After a Cryptosporidium Outbreak	Meeds, D.		Recreational Water
37	2	Summer 1993	Risk Assessment and Its Application to Risk Management in Environmental Health	Richardson, G. M.	Myres, A. W.	Risk Assessment
37	3	Fall 1993	An Investigation into Indoor Air Quality Concerns at an Elementary School	Siderovksi, S.L.	Anderson, A	Indoor Air Quality
37	3	Fall 1993	Composting and Health: A Review	Fok, N.		Waste Management
37	3	Fall 1993	Environmental Hygiene Measurements and Subjective Human Responses to Regular and Portable Classrooms of a Primary School Without a Previous History of Indoor Air Problems	Choremiotis, P.		IAQ; Child Health
37	3	Fall 1993	National Restaurant Inspection Evaluation Study: Observations on the Inspection Process	Mathias R. et al		Food Safety
37	4	Winter 1993	Foodborne Hepatitis A - Victoria BC	Pearce, M. et al		Foodborne Illness
37	4	Winter 1993	Methods & Risks of Defrosting Turkeys	Lee, M.		Food Safety
37	4	Winter 1993	Occupational Exposure to Bacterial Endotoxins and the Health Effects for Workers in Sewage Treatment Plants	Choremiotis, P.		Occupational Health

**ENVIRONMENTAL HEALTH REVIEW**  
**INDEX - Vol. 34 Spring 1990 - Vol. 44 Winter 2000**

37	4	Winter 1993	A Bacteriological Study of the Health Risk of Storing Meat-filled Pastries at Room Temperature	Zazulak, I.		Food Safety
37	4	Winter 1993	Person-to-person Transmission of Brucellosis	Jekel, P.		Communicable Disease
38	1	Spring 1994	Baby's Health & the Home Environment - A National Program to Promote Awareness of Chemical Hazards in the Home	Myres, A.		Toxics
38	1	Spring 1994	Compliance Theory & Ontario Food Premises Inspections Programs	Reffle, J.		Food Safety; Child Health
38	1	Spring 1994	Trichinosis Outbreak Associated With Smoked Wild Boar Meat in Dufferin County, Ontario	Marshall, B.	Isaacs, S.	Foodborne Illness
38	1	Spring 1994	Listeria Case in a Nursing Home in Medicine Hat, Alberta	Batchelder, W.		Foodborne Illness
38	2	Summer 1994	Historical Land Use Database: A Municipal Tool to Screen Potentially Contaminated Properties	Campbell, M.	McKenna, S.	Contaminated Sites
38	2	Summer 1994	The Threat of a Major Subduction Earthquake in Southwest British Columbia	Scovill, D.		Emergency Response
38	2	Summer 1994	The World Health Organization Healthy Cities Project: An Overview	Choremiotis, P.		Health Promotion
38	2	Summer 1994	Computer Modelling of Benzene Transport and IAQ from Petroleum Contaminated Sites	Stefani, D.		Contaminated Sites
38	3	Fall 1994	Playgrounds: More Than Child's Play - Prevention of Childhood Injuries	Bartram, J. et al		Injury Prevention
38	3	Fall 1994	Toward National Uniformity in Food Safety	Young, C.	Garrett, R.	Food Safety
38	3	Fall 1994	A Preliminary Assessment of Child Silica Exposure From Playsand in Calgary Daycares	Stefani, D.		Daycare
38	3	Fall 1994	An Outbreak of Foodborne Illness Associated With Roast Pork: Victoria BC	Pearce, M.		Foodborne Illness
38	3	Fall 1994	Incidence & Significance of Spore-forming Organisms in Various Retail Food Products	Samadhin, M.		Food Safety
38	4	Winter 1994	Utilizing the City of Toronto Municipal Development Review Process to Ensure Proper Clean-up of Contaminated Sites	Campbell, M.	McKenna, S.	Environmental Risk
38	4	Winter 1994	Risk Communication During an Outbreak of Legionnaires Disease	Stronach, D.		Risk Communication

**ENVIRONMENTAL HEALTH REVIEW**  
**INDEX - Vol. 34 Spring 1990 - Vol. 44 Winter 2000**

38	4	Winter 1994	The Importance of Total Alkalinity: An Investigation into the "Blue Water" Whirlpool	Cleaves, S.		Recreational Water
38	4	Winter 1994	HACCP Survey on Chinese BBQ Duck - A Practical Approach	Ip Chan, J. et al		Food Safety
39	1	Spring 1995	A Survey of Health and Safety Practices in Canadian Elementary School Art Programs	Gupta, S.	Myres, A. W.	Children's Health; Toxics
39	1	Spring 1995	Cluster Investigation Methods Part One: Methods and Issues	Siderovski, S.	Sahai, V.	Communicable Disease
39	1	Spring 1995	A Feasibility Study of the Ontario Ministry's HACCP Protocol in High Risk Non-Institutional Foodservice Operations	Ying, J.		Food Safety
39	1	Spring 1995	The Health Effects of Listening to Loud Music in Adolescents	Choremotis, P.		Noise
39	1	Spring 1995	Food Borne Hepatitis A – Victoria BC, October & November 1992	Pearce, M.	Marchenski, M.	Communicable Disease
39	2	Summer 1995	A Framework for Assessing Environmental and Health Concerns Associated with Site Remediation Technologies	Campbell, M. et al		Contaminated Sites
39	2	Summer 1995	White Lead: Reducing Exposure to a Lead Source in the James Bay Communities	Fortin, B.	Decou, M.	Toxics
39	2	Summer 1995	Cluster Investigation Methods Part Two: Calculation of Rates	Siderovski, S.	Sahai, V.	Communicable Disease
39	2	Summer 1995	Safety Investigation of Public Playground Equipment in the City of Toronto	Susnik, S.		Injury Prevention
39	3	Fall 1995	Food Handler – Associated Salmonella enteritidis Outbreak at Three Edmonton Alberta Locations of a Restaurant Chain	Honish, L.		Foodborne Illness
39	3	Fall 1995	Porcupine Health Unit – Client Satisfaction Survey	Decou, M. L.	Fortin, B. M.	E.H. Management
39	3	Fall 1995	Tattoos: Keeping Skin Art Safe	Hanna, J. A.		Personal Services
39	3	Fall 1995	Environmental Epidemiology in Canada	Goddard, M. J. et al		General E.H.
39	4	Winter 1995	Food Safety as it Relates to Community-based Food Preparation Within the East Indian/South Asian Community	Miranda, A.	Shaw, S.	Food Safety
39	4	Winter 1995	The Safety of Some Pre-packaged Hazardous Foods & Homemade Beef Jerky	Lee, M.		Food Safety
40	1	Spring 1996	At Last - Fatal Encephalopathy in Humans Linked to BSE	Sly, T.		Food Safety

**ENVIRONMENTAL HEALTH REVIEW**  
**INDEX - Vol. 34 Spring 1990 - Vol. 44 Winter 2000**

40	1	Spring 1996	Tobacco Sales to Minors Compliance Check Survey 1995: Vancouver Health Department	Langemann, H.		Tobacco Control
40	1	Spring 1996	Rabies Control in the Northwest Territories	Wrathall, B.	Breadmore, R.	Communicable Disease
40	1	Spring 1996	Electric & Magnetic Fields & Your Health	Stronach, D.		Radiation
40	2	Summer 1996	Environmental Health Investigation & Response to a Community Carbon Monoxide Poisoning on Mendemoya-Manitoulin Island	Vettoretti, I. J. et al		Indoor Air
40	2	Summer 1996	An Integrated Food Inspection System for Canada - Next Stop Ontario?	Willmott, P. et al		Food Safety
40	2	Summer 1996	Health Symptoms Reported During BTK Spraying Spring 1994 in the Capital Regional District	Bender, C.	Peck, S.	Pesticides
40	2	Summer 1996	Indoor Air Quality: New Findings to an Old Problem (Part 1)	Fok, N.		Indoor Air
40	3	Fall 1996	The Identification of sources of Human Exposure to Dichloromethane and the Management of Health Risks	Myres, A. et al		Indoor Air
40	3	Fall 1996	How Safe is Japanese Sushi & Sashimi?	Ying, J.		Food Safety
40	3	Fall 1996	Indoor Air Quality: New Findings to an Old Problem (Part 2)	Fok, N.		Indoor Air
40	3	Fall 1996	Tobacco Sales to Minors: Decoy Purchasing Program	Herle, K.		Tobacco Control
40	4	Winter 1996	Self-reported Prevalence of Lead Exposure Risk Factors - A Precursor to Development of a Community Awareness Program	Campbell, M.	Lee-Han, H.	Toxics
40	4	Winter 1996	An Outbreak of Salmonella - Legion Pig Roast (October 7, 1995)	Hamilton, F.		Foodborne Illness
40	4	Winter 1996	A Pilot Study to Assess Domestic Refrigerator Air Temperatures and the Public's Awareness of Refrigerator Use	O'Brien, G.		Food Safety
41	1	Spring 1997	Hamburger Disease – Is there Reason for Concern?	Miles, S.	Hales, W.	Food Safety
41	1	Spring 1997	Cockroach Control in the Housing Sector through Integrated Pest Management (IPM)	Campbell, M. et al		Pest Control
41	1	Spring 1997	Scombroid Poisoning at an Edmonton Alberta Restaurant – August 1996	Honish, L.		Foodborne Illness
41	1	Spring 1997	Climate Change – The Urban Environmental Health Issue of the Next Century	Losito, D.		Climate Change

**ENVIRONMENTAL HEALTH REVIEW**  
**INDEX - Vol. 34 Spring 1990 - Vol. 44 Winter 2000**

41	1	Spring 1997	"Chicken – Medium Rare, Please" An Outbreak of Salmonella thompson	Eng, G.		Foodborne Illness
41	2	Summer 1997	The Development of a Playground Equipment Inspection System to Identify Safety Hazards	Muirhead, P. et al		Injury Prevention
41	2	Summer 1997	Impacts of New Legislation to Prevent Sales of Tobacco to Minors	Dovell, R.	Abernathy, T.	Tobacco Control
41	2	Summer 1997	Common Source S. heidelberg Outbreak Circumstantially Linked to Turkey	Rochon, M.		Foodborne Illness
41	2	Summer 1997	Climate Change – The Urban Environmental Health Issue of the Next Century Part Two	Losito, D.		Climate Change
41	3	Fall 1997	The City of Toronto's Risk Classification Method for Foodservice Establishments	Ying, J.		Food Safety
41	3	Fall 1997	Foodsafe - The First Ten Years	Hines, W.		Food Safety
41	3	Fall 1997	Comparing Environmental Risks in a County in Alberta - A Case Study in Risk Comparison at the Community Level	Guidotti, T.		Environmental Risk
41	3	Fall 1997	Improved Ice Arena Air Quality With the Use of a 3-Way Catalytic Converter & Fuel Management System	Brauer, M.	McNabb, N.	Indoor Air
41	4	Winter 1997	An Examination of Food Safety Interventions Applicable to Health Unit Staff	Campbell, M. et al		Food Safety
41	4	Winter 1997	Health Protection Activities During NAIG '97	Moreau, D.		Food Safety
41	4	Winter 1997	A Case of Hepatitis A in a Food Handler - Lessons Learned	Daly, P. et al		Foodborne Illness
42	1	Spring 1998	Food Irradiation - Boon or Bane?	Lee, M.		Food Safety
42	1	Spring 1998	Community Knowledge and Behaviour Regarding Septic Systems and the Environment: Results of a Baynes Sound Environmental Survey	McIntosh, J. et al		Sewage Treatment
42	2	Summer 1998	Evaluation of HACCP Based Food Quality Inspection Program	Wong, M.		Food Safety
42	2	Summer 1998	Outbreak of Waterborne Giardiasis Caused by Sewage Contamination of Drinking Water	Wallis, P. et al		Drinking Water
42	3	Fall 1998	Towards a Canadian Children's Environmental Health Network	Campbell, M.	Shulman, L.	Children's Health
42	3	Fall 1998	The Use of Epi Info 6 as Part of an Infectious Disease Surveillance System in an Institutional Setting	Sahai, V.		Communicable Disease

**ENVIRONMENTAL HEALTH REVIEW**  
**INDEX - Vol. 34 Spring 1990 - Vol. 44 Winter 2000**

42	3	Fall 1998	Risk Reduction Strategy for Vibrio parahaemolyticus Infections Associated with Eating Raw Oysters	Losito, D.		Food Safety
42	4	Winter 1998	Inuvik Regional Human Contaminants Monitoring Program	Houseman, J.		Environmental Contaminants
42	4	Winter 1998	Environmental Health and Y2K Readiness	Losito, D.		General E.H.
42	4	Winter 1998	Smoking Restrictions Reduce ETS Exposure in Restaurant Study	Cutter Information Corp		Tobacco Control
